### Note:

- (i) Mid-term exams – will apply essay type questions, while Final exams apply multiple choice questions.
- (ii) Multiple choice questions are automatically marked in Moodle with a grade computed shortly after writing the exam
- (iii) Mid-Term Exams will be coordinated and written in the same way as the Final Exams, where there is a harmonized Exam Timetable
- (iv) Continuous assessment marks should be ready by the time when final exams begin so that computing of grades is completed quickly after writing the final exams
