Dear SU Students

**Re: Finalizing Registration for 2026 Summer School**

Greetings from the Office of the University Registrar!

We refer to the subject matter in the caption. Due to works that were being conducted by our ICT department which resulted in some Summer School Students failing to process their registration towards end of registration, we are pleased to inform you that the Senate approved the **extension of Summer School registration to Wednesday the 11<sup>th</sup> of February, 2026 close of business.** Kindly note that there will be no further extension as the Examinations Office is now in the process of preparing examination scripts.

May God bless you as you finalize your registration and prepare for examinations!
