REF: SOLUSI UNIVERSITY MODE(S) OF INSTRUCTION REVERSION

The Solusi University Senate in its meeting of the 7th of July, 2022 through Action **SEN_C 2022:7:3** took the following action in respect of the Mode(s) of Instruction:

HEADING: MODES OF INSTRUCTION

PREAMBLE: Whereas The COVID 19 Situation continues to allow activities to run face-to-face in the country and in surrounding countries;

VOTED: To teach all courses for all programmes (Regular, Block, Bimester) face-to-face with effect from the 2nd semester and 2nd sessions. Consequently, Bimester students shall revert to evening classes at the designated Solusi University Centers while Regular and Block students shall attend lectures, in-person, on campus in the 2nd semester for Regulars and 2nd Session for Block students as was applicable before COVID 19; and further, **voted** that the exams for 2nd Semester and 2nd Sessions remain harmonized, that is; the same paper for the same course across centers and programmes, to standardize quality.

Kindly plan for the foregoing to avoid any inconveniences.

Sincerely,

Mr Mkandla, Mduduzi

Deputy Registrar
